STEWARDS COMMENTS.....A lovely assortment of exhibits
this year. A reduction in the number of classes from
last years does not appear to have discouraged
exhibitors.

We had a great team of needlework stewards with
2 working with the judge and 2 displaying the exhibit
This made for a very efficient way to work the Saturday.
* Still need to replace curtain rods which are very rusty!

JUDGES COMMENTS.....Nice variety of work.
I would like to see more children enter handwork.
Good to see no threads left on the quilts.
It would be nice if we could get more people
to enter in our shows.
I would like to congratulate the volunteers
on the wonderful work they put into making the
show for the community.
